

Canadian
Door Institute

CDI Presents
**Commercial Overhead Door
Technician
Level II**

CDI is pleased to announce the launch of its Level II training programs for Commercial Overhead Door Technicians and Overhead Door Support Advisors. These programs are open to those who have already taken Level I (Overhead Door Technician), either as a Technician or as a support person (see below for other criteria). Open more opportunities for yourself and your company by enrolling in this new course today!

Commercial Overhead Door Technician - Level II

Pre-Qualifications:

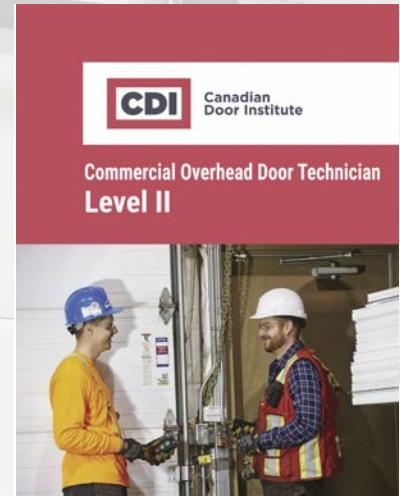

- Successful completion of CDI Level 1 - Overhead Door Technician Course
- Fall Protection Certification (supply a copy of valid certificate)
- Elevated Work Platform (scissor lift, boom lift) training certification (supply a copy of valid certificate)

Overhead Door Support Advisor - Level II

Requirements: Successful completion of CDI Level 1 - Overhead Door Technician Course, either as a support person or as a Technician (Fall Protection and Elevated Platform certifications are not required)

Fee: **\$125** (includes certificate and wallet card)

**Note: Those who have started but failed to complete CDI certification in the past, for whom we have a record on file, will receive a 25% discount.
